

End User License Agreement for Japedo Persistence Documentation Tool

We ask you to read this end user license agreement thoroughly before you install and use Japedo Persistence Documentation Tool software. By installing or using this software you agree to be bound to the terms and conditions of this agreement. Do not install or use this software if you do not agree with the terms of the agreement.

This end-user license agreement is a legal agreement between you as an individual or a single entity and Logitags Software represented by Dr. Wolfgang Winter for trial and full versions of Japedo Persistence Documentation Tool.

Definitions

In this agreement, the following terms shall have the meanings as indicated, both the singular and plural forms and all verb forms of these terms are defined:

Software means all of the contents of the files or other media for which this agreement is provided, including but not limited to a license key and software setup files and modified versions, updates, additions and copies of the software, if any, licensed to you by Dr. Wolfgang Winter.

Use implies to access, download, install or copy the software in accordance with the documentation and the license agreement.

User is a person who uses the version of the software or a license purchased through our web site.

General

Dr. Wolfgang Winter (Logitags) as the licensor, grants you a non-exclusive right to use software under the terms of the license. The licensor reserves all rights not expressly granted to you. The licensor retains the ownership of the software. The software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

Permitted uses and restrictions

The licensor grants you a non-exclusive, limited, revocable, non-transferable license to use the software as follows:

- The software may be installed and used on any number of systems. The premium version of the software can also be installed on any number of systems, however, per day only one system must be used on the same day.
 - A license purchased or downloaded from the Japedo web site allows the licensee to download
-

and use the software on his/her system until expiration of the license.

- After the license has expired, the user can download a new license from the Japedo web site.
- Unauthorized copying of the software is expressly forbidden.
- The distribution of the software does not entitle any compensation from the licensor.
- The user of the software may not rent, lease, commercially exploit or lend the software to anyone.
- The user of the software may not copy, adapt, translate, decompile, reverse engineer, disassemble or modify the software.
- You may not assign, rent, lease, lend, sell, redistribute or sublicense this software.
- The software may be used for the user's internal business purposes for the management and documentation of its own data and not the data of any third party(ies).

Other software

This license agreement does not apply to any open-source software which is included in the product or to any other third-party software that is licensed separately under the terms of various separate license agreements. The other software is not subject to the terms and conditions of this license agreement and is instead licensed to you under the terms of the applicable third-party license agreements. Some icons used in the software are licensed from <https://icons8.de>.

Disclaimer of warranties

You use the software at your sole risk. The software and accompanying written materials are provided on an 'as is' and 'as available' basis without warranty of any kind, expressed or implied of any kind and the licensor specifically disclaims the warranties of fitness for a particular purpose and merchantability. No oral or written advice given by Dr. Wolfgang Winter, Logitags, dealers, distributors, agents, employees or co-workers shall create a warranty or in any way increase the scope of this warranty and you may not rely upon such information or advice.

Liability limitation

The licensor or anyone else who has been involved in the creation, production or delivery of this software cannot be liable for, and shall not pay any amount of incidental, consequential, direct or indirect damages, including damage for loss of profit, business interruption, loss of or incorrect data and the like arising out of the use or inability to use the software. You assume the entire risk as to the quality and performance of the software.
